

Inflation Data

Aaron Peikert

2023-09-27

The dataset we use stems from the *Bank of England Research datasets*.

I quote:

This dataset contains the individual responses to our Inflation Attitudes Survey, a quarterly survey of people's feelings about inflation and other economic variables like the interest rate.

For this **dataset** the *Bank of England* asked 220.846 people for their opinion on the perceived and expected inflation. The survey has run quarterly since 2001.
